Changes to your circumstances

You must tell **us** if there are any changes which could affect **your** insurance, or if **you** buy or get an extra car. If **we** agree to cover the new car, **we** may set terms and ask **you** to pay a higher premium. There are some changes that **you** should tell **us** about before they happen, for example, if **you** intend to change **your car**, buy an additional **car**, or if **you** wish to include other drivers.

Please refer to General Condition 14 of this policy.

If **your** circumstances change and **you** do not tell **us**, **you** may find that **you** are not covered if **you** need to make a claim.

If **we** agree to cover the new car, **we** may set terms and ask **you** to pay a higher premium.

The **Certificate of Motor Insurance** **we** have issued with this policy specifies **your car** by its registration mark. **You** must get a cover note or **Certificate of Motor Insurance** showing the new registration mark of any extra or replacement car **you** want **us** to cover.

Tips on keeping your car safe

The following information is for guidance only. It does not form part of your policy.

- Remove the ignition key or other removable ignition device when you get out of the car, even when parking in your own drive or at a petrol station. Your policy may not cover you if your car is unoccupied with the keys inside it or on it.
- Never leave a door unlocked or a window or sunroof open, even when just going into a shop for a moment or two. If you use the key fob check the car has actually locked before you leave it. Your policy may not cover you if you do not protect your vehicle against damage or theft.

- Don't leave any belongings in your car. A thief won't know that a bag or coat doesn't contain something valuable and might break a window to get at it. If you can't take them with you, lock them out of sight. If you have a removable sat nav remove the cradle as well as the device and any suction marks that could show that it is in your car.
- Don't leave money, credit cards or cheque books in the glove compartment.
- Never leave your vehicle documents in the car; they could help a thief to sell it.
- If you can, leave the car in a locked garage and lock your car and the garage. If you do not have a garage, try to park in a well-lit, open space.
- At home, ensure your car keys are kept in a safe place, out of sight and away from windows and doors.
- When parking in a public car park, look for one that is well supervised, with restricted entry and exit points, good lighting and security cameras. Wherever possible use Park Mark ® car parks – details of approved Park Mark ® car parks can be found on www.parkmark.co.uk.
- Etch the car's registration number on all glass surfaces – windows, sunroofs etc. Thieves don't want the expense of replacement.
- If your vehicle is not fitted with an alarm or immobiliser, consider fitting one which is Thatcham approved. Also think about fitting a tracking device especially if you have a high-performance or expensive car.

The meaning of words

If **we** explain what a word means, that word has the same meaning wherever it appears in **your** policy or **schedule** (other than sections 16, 17 and 18). These words are highlighted in **bold** throughout **your** policy.

We have defined the most common words below.

Certificate of Motor Insurance - The document issued by **us** showing that this policy provides the cover **you** need by law to comply with the relevant United Kingdom and European Traffic laws. It shows who is entitled to drive **your car** and the purposes for which **your car** can be used.

Excess/Excesses - The amount **you** will have to pay if **you** make a claim regardless of who was to blame. The **excess** amounts are shown in this policy but other additional **excesses** may be shown in **your schedule**.

Spouse Civil Partner - the person **you** are legally married to or have entered into a legal Civil Partnership with.

Market value - The cost of replacing **your car** at the time loss or damage taking into account its make, model, specification, age, mileage and condition. This will not exceed the estimate of value that **you** last gave to **us**.

Non-original parts - Parts and accessories made to an appropriate standard including those approved by the MIRRC but not produced by the manufacturer of **your car**.
The MIRRC (Motor Insurers Repair and Research Centre) is often referred to as Thatcham.

Period of Insurance - The period **you** are covered for as shown on your **Certificate of Motor Insurance** and **schedule**.

Schedule - A document which includes **your** details and specifies the cover provided by **your** policy and any **endorsements** applying to **your** policy.

2 Cover we provide for other people

We will provide the same insurance as we provide in section 1a above to the following people:

- Anyone travelling in, getting into or out of your car.
- The employer of anyone you allow to drive or use your car as long as they are entitled to drive by your current Certificate of Motor Insurance.

3 Your legally-appointed representatives

- a solicitor or barrister to represent anyone insured under this policy at a coroner's inquest or criminal court;

This will involve the following options:

- repairing **your car** using **non-original parts** or original parts if **your car** is under the manufacturer's warranty;
- replacing what is lost or damaged if this is more cost - effective than repairing it; or
- settling **your** claim in cash.

If **your car** is on lease hire, hire purchase or personal contract hire **we** may be required to make **our** payment to the owners. In that event **our** payment will be in full and final settlement of **our** liability under this section of **your** policy.

We will decide which option is appropriate.

We will only do this if:

- **you** have owned **your car** (or **you** have hired it under a lease hire or hire-purchase agreement or personal contract hire agreement) since it was first registered as new;
- **your car** is a UK specification model bought from one of the manufacturer's authorised UK dealers;
- the loss or damage happens before **your car** is one year old and the model is still available from the manufacturer's authorised UK dealers; and
- **we** have **your** permission (or the hire-purchase company's permission) to replace **your car**.

Electric vehicles - Leased batteries

In the event of loss or damage insured under this section, **we** may be required to make our payment to the owner of **your car's** battery, or batteries, if the battery is leased or hired.

Unavailable Parts

If any original or **non-original part** or accessory is not available, the most **we** will pay is the cost shown in the manufacturer's last UK price list, plus the fitting costs.

If any original or **non-original part** or accessory is not available and is not listed in the manufacturer's last UK price list, the most **we** will pay is the cost of an equivalent part listed, plus the fitting cost. If no equivalent part is listed, the most **we** will pay for the item is £250.

Salvage

If **we** are going to settle **your** claim by replacing **your car** or by paying **you** the **market value**, **your car** will become **our** property.

If **your car** has a personalised registration **you** may retain this subject to DVLA (Driver and Vehicle Licensing Agency) rules and regulations.

What is not covered
