## Safety precautions

We offer the following hints on precautions worth taking.

### Fire prevention

Check **your** electrical equipment regularly. Make sure that **you** use the correct fuses and do not overload the circuits. Ask for the help of a qualified electrician if **you** are not sure.

If **you** leave the property for more than 24 hours, unplug all unnecessary appliances.

Fires often happen in kitchens. **You** can put out chip-pan fires by shutting out the air. Cover the pan with a lid or thick damp cloth.

Do not use water or try to carry the pan out of doors.

### Flood

- 1 Gather essential items together either upstairs or in a high place.
- 2 Fill jugs and saucepans with clean water.
- 3 Move **your** family and pets upstairs, or to a high place with a means of escape.
- 4 Turn off gas, electricity and water supplies when floodwater is about to enter **your home** if safe to do so.
- 5 DO NOT touch sources of electricity when standing in floodwater.
- 6 Keep listening to local radio for updates or call Floodline 0345 988 1188.
- 7 Floodwater can rise quickly, stay calm and reassure those around **you**. Call 999 if **you** are in danger.
- 8 Avoid walking or driving through floodwater.
- 9 Keep children and vulnerable people away from floodwater.
- 10 Wash **your** hands thoroughly if **you** touch floodwater.

### Water damage

Lag exposed water pipes and tanks in the roof area and taps in the garage or outbuildings.

Cut off the water and drain the system if **you** leave the property without heat in winter or leave it **unoccupied** for more than 30 days in a row.

If pipes freeze, despite **your** precautions, thaw them out using hot-water bottles. Never use a blowlamp.

## Know your own property

Keep a detailed description of **your** property (including serial numbers and photographs, where possible). It will help **you** - and the police - after a theft. If **you** cannot provide a good enough description, it hampers the police in their work as items they believe to be stolen cannot be positively identified and the thieves prosecuted. It also means that a lot of stolen property recovered by the police is never claimed because the owners cannot identify it as belonging to them. Keep invoices as proof.

## Security

When **you** go away on holiday:

- stop newspaper and milk deliveries (do not tell a lot of people that **you** are going away); and
- place any silver and valuables, which are not being taken or worn, into safe custody with a bank or other suitable place. Make sure, before **you** leave, that all doors and windows are closed and locked.

### Safes

Safes offer an additional level of protection for **your** valuables against thieves. A safe should be carefully chosen taking into consideration the value of the items intended to be locked within, where it is to be located within **your** property and any future purchases of valuables that **you** may make. Safes are normally awarded a 'cash rating' which indicates the maximum level of cash that should be held within. The cash rating will be based on the safe's ability to withstand fire and attack. For most safes, the awarded cash rating can be multiplied by ten in order to find the equivalent valuables limit e.g. Cash rating £1,000 = Valuables rating £10,000. A safe supplier will be able to advise **you** on the type of safe that is best for **your** needs.

Where an incident has occurred which may give rise to a claim the full annual premium may be payable to **us**.

If the amount due when **you** cancel the **policy** is more than the amount **you** have paid, **you** must pay the difference.

## 7 Fraud

If **you** make a claim which is at all false or fraudulent, or support a claim with any false or fraudulent statement or documents, **you** will lose all benefit and premiums **you** have paid for this **policy**.

## 8 Premium

**You** must pay the premium or any agreed instalment when **we** ask.

If the premium for this policy is paid by instalments and in the event **you** fail to pay one or more instalments, whether in full or in part, **we** may cancel the policy by giving **you** 14 days notice in writing sent to **your** last known address.

## 9 Choice of law

Unless **we** agree otherwise:

- a the language of the **policy** and all communication relating to it will be English; and
- b the laws of England and Wales will apply to this contract of insurance.

## 10 Paying premiums by instalments

If **you** pay **your** premium by direct debit or by any other instalment method:

- should **you** cancel the **policy** **you** will be required to pay all future premium instalments up to what would have been the renewal date. **You** will also be required to pay all other premiums **you** may owe. If **you** are due a return premium under condition 6 of this policy **your** instalments will be adjusted; and
- **we** have the right to take any premiums **you** have not paid from any claims payment.

at **our** request are complete and correct as far as **you** know.

## 14 Automatic Renewal

If **you** pay **your** premium by instalment when **your policy** is due for renewal **we** will renew it for **you** automatically, this saves **you** the worry of remembering to contact **us** prior to the renewal date. **We** will write to **you** 14 days before the **policy** expires with full details of **your** next year's premium and **policy** conditions. If **you** do not want to renew this **policy**, all **you** need to do is call **us** on 0330 102 1731 before **your** renewal date so **we** don't take payment. If **you** inform **us** after that time charges may apply, please see General Conditions 6 and 7 in your **policy** booklet for details.

Should **we** decide that **we** will not renew **your policy** **we** will notify **you** in writing prior to the renewal date.

The automatic renewal process only applies if premium is paid by instalment. Adequate home insurance cover is essential in protecting **your** property and the **contents** inside it against many unexpected events such as flood, **subsidence**, theft or **storm**. Individual insurers will form their own view on what is an acceptable risk to them and this may affect **your** ability to obtain cover with another insurer. Please make sure that **you** have arranged adequate alternative insurance before allowing this **policy** to expire.

## 15 Changes you must tell us about

All information **you** have provided **us** as shown on **your** most recent 'Your Personal Details' document is relevant to the **policy** cover. If any of the information printed on 'Your Personal Details' is incorrect or has changed, **you** must tell **us** at **your** first opportunity. If **we** are not advised of changes in circumstances, this may affect **your** ability to claim under the **policy**.

When **you** tell **us** of a change of details, **we** will reassess the premium and terms of **your policy**. **You** will be informed of any revised premium or terms and asked to agree before the changes are made. In some circumstances **we** may not be able to continue **your policy** following the changes. Where this happens **you** will be told and the **policy** will be cancelled in line with the provisions of general condition 6.

## 16 Joint and additional policyholders

If there are two or more policyholders named on the **policy**, either may amend the **policy**, make a claim, remove a policyholder or cancel the **policy**.
